GEORGE'S BROOK-MILTON THE LANDERS & GRAYS

51 Ryder's Brook Road
George's Brook-Milton NL A5A 0K7

In September of 2019, the three assemblies in George's Brook-Milton, Bunyan's Cove, and Hickman's Harbour amalgamated into one assembly operating out of the larger and more central facility in George's Brook-Milton. Pastor James and Kelly Lander have been ministering in George's Brook-Milton since 2017 and have made community involvement a priority. They have also helped to facilitate the amalgamation of the three Home Missions assemblies.

In August of 2019, Pastor Tyler Gray was brought on staff as Assistant Pastor to assist in the pastoral responsibilities and leadership of the larger assembly. The leadership is committed to providing ministry to the vast geographical area represented by the three former assemblies through various discipleship and outreach initiatives.

We ask for your continued prayers and thank you for your support.

Tyler
