Hant's Harbour NL A0B 1Y0

Pastor Jamie began ministry in Hant's Harbour January 2021. The church has an amazing opportunity to reach a community of approximately 350 people. Hant's Harbour is located on the east side of Trinity Bay on the Bay de Verde Peninsula.

The assembly is like many in rural Newfoundland, with both challenges and victories. The average attendance on Sunday morning is 27, with an average of 10 on Tuesday night Bible study and prayer meeting. Throughout the week we have a Service on Sunday, prayer meeting on Tuesday, as well as "Kids Power Hour" on Thursdays. Once a month there is a service at the senior's home in Winterton.

As I drove into this community I felt "home", the church has welcomed me with open arms and has been so encouraging. Loving the church has become the most natural thing. This assembly strives to bring God glory in all it does, worship is a lifestyle, the Word of God their guide.

I know that God has great things in store for this church and community. I have seen and learned that the church is alive and well!
