Janice has lived and worked in Nairobi Kenya since June 2000. Her prime responsibilities involve bookkeeping and administration for the Kenya Field office, helping missionaries throughout the country with administrative and ministry needs.

She oversees PAOC's Nairobi guest facilities and helps to host visiting missionaries, church leaders, and teams from our Canadian churches.

She also oversees the ChildCare Plus ministry in Kenya; and reaches out to needy families through some of the small church-run schools in the Nairobi slum areas.
